Essence of our Origins

D.O. RIBERA DEL DUERO

CASTILLA Y LEÓN

THE WINERY

- **Vineyards:** 22 ha (54 acres) of Tempranillo old vines located at roughly *850 meters of altitude in Spain's Golden Mile*.
- **Climate:** *Privileged weather conditions*, boasting cold winters and very warm summers, plus the *benefits of* one of the major rivers of the Iberian Peninsula, *the Duero*.
- **Soils:** composed of layers of silty or clayey sand, and the *alternation of layers, both of limestones and marls* and even of calcareous concretions.
- **Oenologist Style:** *Rare and elegant Tempranillo wines* carefully elaborated and aged in new barrels - 75% French & 25% American Oak.
- **Production Capacity:** *90k litres* - only the best wines are deserved to be bottled at Lagar de Proventus.

THE GOLDEN MILE OF SPANISH WINES

...THAT COMES TO LIFE IN A PRIVILEGED SETTING
Ribera del Duero D.O.

Lagar de Proventus is located in what is called the 'Golden Mile' of Ribera del Duero near the town of Peñafiel. Barely 15 km of vineyards known world wide for being home to iconic wine houses such as Vega Sicilia, Bodegas Aalto, Dominio de Pingus, Abadía Retuerta, Alión, Pago de Carraovejas, and Hacienda Monasterio.
